👤 ABOUT ME

I am Ashish Kumar, a passionate and goal-oriented B.Tech 2nd-year student at Rajkiya Engineering College Banda, specializing in Information Technology. I am actively building my skills as a frontend developer, focusing on creating responsive and user-friendly web interfaces. I enjoy solving problems through code and continuously seek opportunities to learn and grow in the field of software development. My aim is to contribute to innovative tech projects and become a versatile developer with expertise across both Web Development and App Development technologies.
